Circular dated 23rd September 1948.

No. 210. The Agents of the Department are hereby informed that Rules 10, 10 (a) and 19, of the Public Branch Rules, have been amended as follows, in accordance with Government Order No. Fl. 2273-5—G. F. 10-47-5 dated 14th September 1948:—

"*Rule* 10.—All Medical Officers in the service of the Government of Mysore, with the exception of the Director of Public Health, the Superintendent of Vaccine Institute, and Officers drafted for Public Health Research Work, and Private Medical Practitioners possessing the qualifications prescribed hereunder are eligible to be appointed as Medical Examiners

for Insurance for amounts not exceeding the limits specified below.—

1 All Medical Officers in the service of the Mysore Government for at least one year, provided that only Medical Graduates, Assistant Surgeons or Surgeons examine cases where the sum proposed exceed Rs. 2,000.

2 Registered Private Medical Practitioners who have practised medicine for at least one year, provided that Practitioners who are not Medical Graduates shall not examine proposers for Insurance if the sum proposed exceeds Rs. 2,000.

3 Lady proposers shall ordinarily be examined by Lady Medical Officers; however, in places where no eligible lady doctors are available, the Secretary may, in individual cases, or for temporary periods, permit the examination of lady proposers by male doctors with the assistance of midwives or nurses, if the proposers are willing.

"*Rule* 10 (*a*).—Mysoreans, whether by birth or domicile, living outside the State, may get themselves examined for Insurance by (1) Officers of Medical Departments of the Local Government possessing the qualifications required in the foregoing para; or (2) if the sum proposed for assurance does not exceed Rs. 2,000 by Registered Private Medical Practitioners whose names have been on the Register of the Medical Council of the Local Government for at least one year, provided that the cost of Medical Examination is borne by the proposers themselves. If the proposals are accepted, the prescribed fees as the case may be (*vide* Rule 12) will be allowed to be deducted from the first year's premium that may fall due.

"*Rule* 19 (ii).—If the period of lapse is more than six months, but less than one year, a lapsed policy, irrespective of the amount of assurance, may be revived by the production of an Ordinary Medical Certificate, on payment of a fee of Re. 1 and, if the period of lapse is more than one year, by the production of a Detailed Medical Certificate on payment of the fee prescribed under Rule 12, obtained from Medical Officers possessing the qualifications prescribed under Rules 10 and 10 (a). The certificate must be accepted and arrears of premium and interest due paid before the revival of the policy.

Rule 19 (iii) and the Notes thereunder have been deleted.

OFFICE OF THE CHIEF INSPECTOR OF MINES AND EXPLOSIVES IN MYSORE, OORGAUM.

Notification dated 25th September 1948.

Instances have come to the notice of this Department where licensees manufacturing explosives, instead of doing so in the places indicated on their licenses do clandestinely manufacture them in their own dwelling houses or sale premises within closed doors during night time. As such places are generally situated on public roads in congested localities and since such a practice is liable to endanger public safety, persons in the know are requested to guard themselves against eventualities by promptly reporting the names of such licensees to the local Police authorities. This notice is published for general information in view of the approaching Deepavali Festival when the licensees are likely to transgress the conditions of their licenses owing to the demand for firework articles during the season.

Government in their Notification No. D. 2814—Geol. 66-28-25, dated 9th September 1930, have prohibited, within the Mysore State, the manufacture, possession and importation of any explosive consisting of or containing sulphur or sulphuret in admixture with chlorate of potassium or any other chlorate.

Many accidents, caused during the illicit manufacture and handling of a variety of fireworks commonly known as "Pattas" or "Bellulli Pattas"—throwdowns or small bombs—consisting of a mixture of potassium chlorate (ಪೊಟಾಸ್ ಉಪ್ಪು) and Arsenic or Antimony Sulphide (ಮೆಣಸಿಲೆ ಹರಿದಳ) or Sulphur (ಗಂಧಕ) have come to the notice of this Department resulting in serious and sometimes fatal injuries to the persons manufacturing or handling the mixture, besides doing damage to property.

The mixture constitutes a highly dangerous explosive which is sensitive to friction, force (blows) and even liable to ignite spontaneously.

As this firework composition is mostly used during Deepavali and Shaban festivals, timely warning is hereby given to all persons concerned not to manufacture, possess or sell this dangerous explosive.

Any person manufacturing, possessing or importing such a mixture will be punished according to Law.

K. DURAISWAMIER,
Chief Inspector of Mines and Explosives in Mysore.
